WELCOME TO YOUR ALUMNI NETWORK
CONGRATULATIONS

You have every reason to be proud of your achievement in gaining your business or law qualification from the University of South Australia. As a graduate of the UniSA Business School, you now belong to an elite group of international business leaders, practitioners, and scholars.

Maintaining an active connection with your business school, as an alumni member, will provide many benefits and opportunities. I invite you to explore the extensive range of resources, initiatives and activities now available to you, and encourage you to enhance your network of business contacts.

A world of opportunity awaits you.

Professor Marie Wilson
Pro Vice Chancellor (Business and Law)
UniSA Business School
“Being involved in my alumni network has kept me connected with a wide variety of business professionals, given me access to leadership and career development opportunities, allowed me to share my knowledge as a business mentor and support my organisation with employment of UniSA students through our graduate recruitment program.

Being an active member opens doors to new opportunities in further education and career advancement. I have seen first hand the value of the program in supporting my career development as well as my fellow alumni.”

Vanessa Dolling
Department of Justice and Regulation
Human Resource Management Alumni

YOUR LIFELONG JOURNEY

As a graduate your career, knowledge, expertise and success can continue to be supported or shared to develop others. A range of exclusive alumni services and benefits have been designed to enhance your lifelong learning and that of future business and law professionals.

MAKE THE MOST OF YOUR BENEFITS

Growing knowledge
As a recent graduate, we’re here to help your career transition. You have access to:

- Career management seminars delivered online and tailored for early, mid and senior career stages.
- Library services to keep you in touch with the latest research.
- Professional mentors through the Business Career Mentor Program (up to 3 years after graduation).
- Career consultations with a Career Adviser (up to 12 months after graduation).

More information: Pages 7 - 8

Sharing knowledge
Your industry experience is invaluable. Enhance your leadership while providing support:

- Become a mentor - register for one of our many programs to develop students and fellow alumni.
- Offer student experiences - projects, placements and volunteering opportunities.
- Join the UniSA team - consider guest lecturing or sessional staff opportunities.

More information: Pages 7, 8 and 9

Giving back
Passionate about education, research and innovation? Consider a gift, options include:

- Scholarships, awards and prizes to support areas of study or disadvantaged students.
- Preserving knowledge by contributing to library resources.
- Unleashing potential by assisting a research centre or institute.
- Improving resources through a gift for tangible projects such as buildings and equipment.

**STAY CONNECTED**

**Communications**
Stay informed about the latest news, events, seminars and achievements when you receive the monthly Business and Law Alumni Update and the Business School magazine, unisabusiness.

MENTORING

Mentoring promotes the sharing of knowledge and expertise to enhance professional development and personal job satisfaction. It has also been recognised to improve retention, attract talent, save on training and development costs and create a supportive work environment.

Share your professional expertise with current students and fellow graduates by participating in one of our mentoring opportunities.

**Business Career Mentor Program**

Join over 220 industry professionals providing knowledge and expertise to students and recent graduates. Enhance your leadership potential and grow your network.

**Property Mentor Program**

Contribute to the development of future colleagues entering the property sector. Refine your management skills, network and share your experience.

**Executive Partners Programme**

Engage with dynamic postgraduate students and positively influence future generations of industry and government leaders.

**UniSA Alumni Connect**

Provide vital support in shaping the career success of fellow UniSA graduates as an e-Mentor while growing your global network.

---

"UniSA Business School, through their Strategic Partnership Unit, has been providing education solutions to meet our specific business needs since 2005.

We are committed to continuous improvement and outstanding leadership and development opportunities for our staff. UniSA Business School has assisted us to design programs and services relevant to the needs and issues confronting our industry. Education is critical to our organisational learning needs, strategic outcomes and competitive success."

**Mark Coupe**

General Manager Manufacturing, Seeley International.

---

"I have been a mentor with the UniSA Business Career Mentor Program for the past 3 years. Assisting a student with their career development has been a rewarding experience and has provided the City of Unley with access to other university services that meet our business needs.

Mentoring is a mutually beneficial way of sponsoring the development of the next generation of professionals."

**Annabel Shinkfield**

Manager: Marketing, Communications & Customer Service
The City of Unley
AN ENTERPRISING BUSINESS SCHOOL

The Business School has a strong commitment to fresh ideas and innovation. Our focus is to strengthen the links between careers, business growth and community aspiration.

As an alumni member you can foster collaboration and develop rewarding business partnerships - together we can achieve extraordinary things.

ENGAGE WITH US

Centre for Business Growth
Through research and tailored programs we provide senior executives with the skills to unlock growth potential. Business Growth clinics take the vital signs of individual businesses and guide their leaders to build action lists designed for success.

Institute for Choice
Unique combinations of researchers provide ground-breaking, evidence-based advice that no single discipline can offer. Intelligent insights into consumer choice fuel the growth of our business clients.

Corporate and Executive Education
Tailored education programs assist our partners to drive change, innovation, productivity and growth. Seminars, workshops and corporate degrees are designed to meet your needs inclusive of executive leadership, operational excellence and sustainability. Transform and prosper through knowledge.
